
umm, wtf?

Posted by WesJT2006 - 2006/11/29 00:01

did anyone else get a message from a dude named RobertT?
he only has 4 posts, so i'm guessing he's just a spammer

it was a huge picture of a naked asian dude and a bunch of links to asian porn. what's up with that crap?

Annoying spammers. Although, that Asian man had an enviable penis. He ought to be commended for shattering stereotypes. :monocle
