All those seeking membership must post your request in this thread along with a brief summary stating why you think you would make a good Panda.

I would make a good panda because panda bears are my life. I devote all of my free time drawing pandas, writing poetry about pandas and even fantisizing about them. If I could be a panda I would.

here is one of my poems

what can I say about pandas
they make my life complete
they look nothing like santas
and that is why I love them.

thankyou for you consideration
I look forward to hearing back from you soon.

sincerely,

Starla Bing

I would like to join this Panda Militia, because everytime I hear the word panda I think about that episode of South Park where they have the Sexual Harassment Panda on it. And it makes me laugh!
Also panda's are so adorably cute! When I get rich, I'm gonna have my own zoo, and have panda bears in it. And I will breed them and make lots of little pandas.
And maybe if I become a member I can figure out exactly what this all means.....(because to be quite honest, I'm not really sure).

The Sexual Harassment Panda is a good friend of mine! This idea for a Panda Prison will have to go though.

do i still post in here to tell you why i should be a panda?

first of all, i have memorised the proposed anthem :

"O Mad Panda!

Our home and native land!

True panda love in all thy sons command.

With glowing hearts we see thee rise,

The True Force strong and free!

From far and wide,

O Mad Panda, we stand on guard for thee.

Bud keep our land glorious and free!

O Mad Panda, we stand on guard for thee.

O Mad Panda, we stand on guard for thee."

secondly, i have made a rockin avatar of billy and james pandas.

lastly, i dont like the way the world is at the moment- i agree that people like us (absolute legends) are dying out just like the pandas are, so i think we should join together as a stronger force!! :yay yeeeeeeeeeeeeeeeeaaaahhhhhh!

I think Pandas are special because they stylishly embrace both black and white, light and dark, and they're adept at fooling the world into thinking they're bears.

And bamboo is awesome!

I Knew you were a SPY! U were never Panda material! U just wanted to see our plans to report back to the enemy. Tell George Bush his days are numbered!!!

As for the rest of our proud troops - We will have to be as selective as possible because there will always be those who pretend to be Pandas, but they are wolves in pandas clothing!!!

READ THE PANDA HANDBOOK! BEING A PANDA NEVER DOESN'T STOP U FROM HONORING YOUR COMMITMENTS TO SCHOOL, YOUR FAMILY, OR YOUR WORK. IT IS PART OF THE CODE. U CAN TURN YOUR EYES BUT THE WAR IS STILL HAPPENING IN FRONT OF YOU!!!

stumbleine link=topic=897.msg14131#msg14131 date=1166193447]
:o who will take his position????

This will take some debate. I will discuss with the King who he feels is fit to stand at the inner table. Whoever gets the promotion will indeed have earned that position and will be honored amongst the ELITE in the Panda Militia! Obviously we will look at the higher officers first but this does not exclude anyone from the running. I will have an official answer to your question by next week.
