
Some Photoshop Stuff

Posted by Cherub_God - 2006/05/30 12:31

I started making sigs and avas some months ago
please tell me what you think of it
sorry but no pumpkins here
but I promise I will make one soon ;)

yeah, photoshop is much fun

i made myself some backgrounds a long time ago, but I never have been great at art

cherub & emueller, awesome work.

Re: Some Photoshop Stuff

Posted by Sandoz - 2006/06/10 18:14

they seem familiar... one of them looks like sephiroth. is it?

Re: Some Photoshop Stuff

Posted by Rivers Cuomo - 2006/06/10 23:11

yeah, I didn't notice that before... sweet

i saw sephiroth, gaara, krono

very cool, and yeah, we need some sigs xD

Re: Some Photoshop Stuff

Thank you guys...I am not with man time to make sigs for everyone so...
There's a (little) gift for everyone:

<http://img433.imageshack.us/img433/1556/sp2un.jpg>

If you really want one sig just warn me (PM me) and give me 5 days ;)

Re: Some Photoshop Stuff
