## Weeee!

Posted by 1979 - 2007/03/15 14:00

---

Did anyone in the northern half of the US enjoy the fantastic weather we had yesterday? I sure did, but I got sunburned. Oh welll..... woooo

:monocle

OK, so in DC it went from 82 degrees to 41 degrees in 1 hour. We had several days of 70-80, then Friday night - 2 inches of snow!!!!!! I wish Spring would stay.

Its been raining here since october with the occasional day of sun...its sunny today and I'm inside. I like the gloomy weather its comforting. but the sun does have it good points...Soon I can go camping.
