
Concert Shirt Prices

Posted by HeavyMetalMachine - 2007/08/07 14:18

Hey, for all of you that have already seen the Pumpkins on there current tour, how much have the shirts been selling for? I'm seeing them in late September and I want to be prepared to buy some shirts (The new Zero shirt, and a Zeitgeist Tour shirt).

Can anyone help?

Dang, thats gonna cost a jobless 15 year old alot of money. But I guess being a fan isn't cheap.

Does anyone know the specific shirt prices?

Re: Concert Shirt Prices

Posted by HeavyMetalMachine - 2007/08/07 15:36

is there a discount if you buy two or something? cause I'm planning on buying the zero shirt and then the tour shirt (The one with the cd cover in front of it)

I got the new Zero shirt for 40 dollars, but that's for the girls size, the men's was 35 I believe.
My tour shirt the one with the CD cover on it I believe was either 40 or 50. The one with the seal was about 40-50 but men's prices were different than girls.
No discount-the guy selling it even remembered me, but no discount.
What other merch prices are you looking for?

how much are the flags?

=====

Re: Concert Shirt Prices

Posted by PersianBellyDancer - 2007/08/07 19:42

Pumpkins flag is 30 dollars.

I'm completely broke from the concert. I bought three shirts, the horribly over priced hoodie, buttons, and the flag. No I'm not rich, I've just gone mad.

1. How many different types of shirts are there and what do they look like?
2. How much was the hoodie, are there different types, what do they look like?
3. What do the buttons look like, how much are they?

Is that all there is?

More merch for your viewing pleasure...

They sold a poster of the album cover for 25 dollars and a silver belt buckle for 20 dollars. I think I have a picture of that somewhere. I'll search for it.

Picture of the flag and buttons as soon as I find the camera.

Re: Concert Shirt Prices

I didn't see one, but knowing me, I'd buy it.

The tour shirt comes in different colors by the way. There's also one of it with the album cover, but it looks like it's an official seal or stamp, I saw that one come in different colors as well.

how much do the hoodies cost?

=====

Re: Concert Shirt Prices

Posted by PersianBellyDancer - 2007/08/08 15:44

Hoodie was \$90... :sigh

Here are buttons and flag.

Buttons are \$10

Flag is \$30 the flag is the size of a normal flag-but to me it is kind of big. I had to stand on my bed to get the whole thing in the picture.

The button that looks like it's a seal-that's the shirt I was talking about earlier.

Enjoy the pictures.

What does the back of the seal shirt say?

Are you down with the mighty SP?

Yes, that's what it says.

Re: Concert Shirt Prices

Well, the seal shirt WAS cool until I saw "are you down with the mighty SP," haha. That's just laughable.

Re: Concert Shirt Prices

Posted by HeavyMetalMachine - 2007/08/11 21:28

And I assume the front of the seal shirt says "Smashing Pumpkins" "Zeitgeist"

=====

Re: Concert Shirt Prices

Posted by PersianBellyDancer - 2007/08/12 14:40

That's what it says on the button so I guess it's the same as the shirt.

I'm wearing my hoodie!! It's a mens small so it's still big on me, they ran out of girls sizes. But I didn't want to come back

another night and have them say "we only have men's XL."
I don't know if they sell them at festivals, but I hope they do.

I don't know where I should put my SP buttons...suggestions?

Re: Concert Shirt Prices

If you play bass or guitar you could put it on the strap.
Or you could put it on a belt.

=====

Re: Concert Shirt Prices

Posted by PersianBellyDancer - 2007/08/12 22:27

I'm actually getting a new bass and guitar-mine died :(
On the straps it's going to have Iranian writing on it, but I'm not sure what to write on it. Maybe I could translate an SP lyric.

I was going to try and put it on my purse or something that I use a lot (my sunglasses have a black sticker that says "The Smashing Pumpkins" on the side. :D

But still more suggestions are welcome.

I just recieved the Seal shirt from the mail today. I bought it off ebay which is alot cheaper than getting the same shirt from a concert.

It's a really cool shirt. You can't really appreciate the front design from the pictures on ebay, but when you see it in person, it is very detailed and well designed.

Great shirt, I suggest buying it!

I'm bitter with ebay at the moment, but if I end up going to one (or both) of the Arizona shows I'll try to get it there.

On your guitar or bass trap, it's always the way to go.

Hey Persian,
You're really kind to post all this, if I may inopportune you for one more question? Do they have tank tops for us ladies?
Thank you.

=====

Re: Concert Shirt Prices

Posted by PersianBellyDancer - 2007/09/11 22:53

I couldn't see any tank tops at the residency shows here in San Francisco.
BUT-I did see the seal shirt in green in the form of a tank top (or halter top) being sold on ebay. I saw it while I was searching around at work. I'll keep my eye out for it when I'm digging around on there again.
Hope it helps Teacup!

ps. The women's shirts are actually fitted which I like, I'm not swimming around in it.
