Correction, hardly any of the Spun songs are on ozphoria. That site only has clips of 3 songs that are ripped directly from the DVD, not full studio versions. To my knowledge "Think You Know" is the only full song available that is not taken from the DVD.

Track listing for the Official Spun Soundtrack

01. Zwan - Number of the Beast (Spun version)
  02. Billy Corgan - Always
  03. Billy Corgan - Think You Know
  04. Billy Corgan f. Linda Strawberry - Love to Love
  05. Soundtrack of Our Lives - Instant
  06. Billy Corgan - Revolve
  07. Zwan - Jesus, I (Spun version)
  08. Zwan - Mary Star of the Sea (Spun version)
  09. Stakka Bo - Monsters
  10. Unknown Instrumental
  11. Billy Corgan - Love is a Battlefield
  12. Billy Corgan - Wasting Time
  13. Foghat - Got to Get to Know You
  14. Ozzy Osbourne - Flying High Again
  15. Hellacopters - Geekstreet
  16. Silverginger 5 - Walk Like a Motherfucker

So where are these songs popping up from? Does somebody out there, besides, of course, Billy himself, have all of these songs and are simply keeping them to themselves?

Thanks for this by the way! What an amazing song! And also, how did you ever acquire them?

Oh wow...I must have forgot to post this in the "survivor" thread because I forgot thats the only topic that gets posted on around here.

Over on blamo and netphoria this is a hot topic...oh well, thats what I get for trying to shed some light over here. Nevermind, I'll keep you in the dark from now on.

Thank you for bringing this to our attention, PistolPete. Your efforts don't go unappreciated. I've added MP3s to the site.

Here's a clip of "Freedom" (Different from Freedom Aint What is Use to Be)

As for "Loving You Sunday Morning," I think it is included in the MSOTS instrumental. Here's a clip from the movie:

Is there a complete version of "Freedom" floating around somewhere? Cheers on the files! I thank you truly, and it is appreciated.
