## Leeds Bootlegs

Okay so I was there at Leeds, right at the front, my voice is now gone, my feet are... well, they hurt... a lot.

There were a lot of fuckin' assholes in the crowd pushin' me and my girlfriend about and shit and that kinda spoilt it, but anyway.

If anyone has a boot of the Leeds SP performance please link it here, or a youtube vid or pics or whatever!

Here's the set list:

United States

Tonight

Tarantula

Starz

Zero

Hummer

Bullet

Glass and the Ghost Children

1979

To Shiela

Today

Stand Inside Your Love

Superchrist

Doomsday Clock

Disarm

Heavy Metal Machine

Muzzle (cept... they didn't come back and play it, I waited but the peeps on the stage were takin' everything down) :(

There is a BBC-Stream from this Reading - Leeds Festival (only till 03.Sept)

<http://www.bbc.co.uk/readingandleeds/2007/artists/smashingpumpkins/>

Hopefully somebody is able to stream it and share it.

(BTW: I know its offtopic, buit I don't care ;-) - If anybody is able to do the same with "Nine inch nails" I'd be very thankful)

It should work :S

Someone needs to find a way of downloading that stream, one of SP and NIN would be nice, it'd be awesome to have them on my PC for offline viewing, even if it is just Reading, just like everything else on the BBC site, like, no leeds at all!

Still looking for the Pumpkins - and I still hope somebody is able to download the stream it - But here are some Youtube-Stuff as a kind of teaser:

Tarantula: <http://www.youtube.com/watch?v=1bkLa9KujNI>  
Today: <http://www.youtube.com/watch?v=xfxcxVrgkls>  
Tonight: <http://www.youtube.com/watch?v=o6DGrcbFai8>  
That's the way: [http://www.youtube.com/watch?v=jUgOdV1R\\_dE](http://www.youtube.com/watch?v=jUgOdV1R_dE)

----  
BTW: (offtopic) I have found the NIN-stream: [http://rapidshare.com/files/51919721/nineinchnails\\_16x9\\_bb.bsr.wmv.html](http://rapidshare.com/files/51919721/nineinchnails_16x9_bb.bsr.wmv.html)  
(sometimes is seems like single frame have been lost, but in facts it are the videoprojections in the background and the stroboscopic light effects)

That's cool, thanks very much.

Since it's on YouTube I can download them and convert them to AVi, it's just that the resolution is very low.

Hopefully someone can download it and share it at a higher res, I havn't checked out the NIN stream download yet but thanks a lot :)

Okay I've downloaded the YouTube vids and merged them into one WMV, it's around 100mb though.

I don't know where I can upload it though as I've never done that before, does Murder wanna host it here?

EDIT:  
Hmmm, just looking at that NIN Stream that's been ripped, that's pretty decent quality compared to the Pumpkins one I made off of YouTube, maybe wait and see if the original stream for the Pumpkins at Reading becomes available, I hope so!

Well, its a good job for you people that I found this forum!

I was sat at my PC throughout the whole festival, downloading all the streams, converting them to video and audio files, and uploading them all.

I currently have all the artists shown from the Friday and Saturday of Reading Fest, and will be uploading the rest of the Sunday acts soon

Anyways, go to <http://indieglo.blogspot.com>  
And you will find alot of them there

Okay, so are you uploading the whole Reading Pumpkins set in video? Or just what the BBC aired, or the set in audio?  
I'm confused lol. :jimmy

It'll be the audio AND video of what was aired on the BBC webcast, hope that makes more sense now :)
