
XM Artist Confidential performance

Posted by TheMarked - 2007/12/26 10:06

Before I go through the trouble, do people have this Audio of the live set they did on XM satellite radio in 2007? IT was a great show and i just wnatod to know if people already had this. Thanks

I decoded the flac files and added the mp3's above.

Murder you may want to add this to the site. It's a good show with some interesting interviews.

Murder,

Is/was this a PRO quality broadcast?

Yes.

The MP3s have now been added to the site. <http://www.thepumpkins.net/content/view/701/47/>
