## Lost songs

Posted by glass - 2008/01/22 03:16

---

Could anyone tell me where I can find Crawl, Elsie or Death boogie?

Death Boogie was Machina. [http://www.spfc.org/band/studio.html?session\\_id=43](http://www.spfc.org/band/studio.html?session_id=43) It could have been an alternate title for a song that's already known. Maybe Pale Scales?

thats right, i remember it

elsie also sounds somewhat familiar, but crawl...never heard of it
