hmmmm the one in Brussels 1.19.2000 is good quality
the one in sunrise 2000 not too good quality but a kick ass show
the one at Docks,Hamburg,DE (Zwan)2.18.2003 is awesome.
That is a very hard question.
:)
I will have to look and see, as I have alot of shows during that time period, 8 years of pumpkiness ya know.
