
American Gothic Tabs

Posted by TheImplodingVoice - 2008/06/06 22:09

Hey,

Has anyone worked out tabs for the American Gothic songs? I'm particularly interested in Pox.

Thanks

=====

I'd be interested in American Gothic tabs as well, all I can find is The Rose March - http://www.spfc.org/music/gtab.html?song_id=982 on spfc.org
