Looks pretty nice Rivers. I don't know anything about photography, but I bet that was expensive. Put up some pics for us to see.

Swwweetttt!

Check out that zoom! I'd love to see some of the things you see with this.

I'm a bit of a photography buff so am absoultey interested in your results with this beaut!

nice,
we should start up a photography thread.
I'm pretty into it to
but I can't afford a camera that nice.:o

(Edit): I forgot all about that photography thread from way back. I brought it back up again

awesome

I'll post some pictures in the photography thread

also, the 70-300 gets some distance on it. Not a ridiculous amount, but enough for my needs.
