Waiuk_0323 to Waiuk_0328, that's my lovely lady and me.

Scroll down to Waiuk_1131, that's a large portion of my friends and me, I'm on the far left. I'm slightly dressed down because I'd been dancing, and I saw that my friends were having a big group photo, and I didn't have time to put my jacket etc on.

Whatcha think guys??

do you really call it balls in wherever you live?

that reminds me of a song by AC/DC

They have big balls, meaning partys of course;)

Yeah it's the equivalent of a "prom"

The after-ball was great too, it was crazy. And I didn't even get drunk like everyone else did. STRAIGHT-EDGE FOO'.

I didn't get home until 7am.

This is all from Saturday night/Sunday morning, by the way.

Adorable, the lot of you!

Proof that the world is small and everyone has a twin:

- 1) You look like the first guy I ever slow-danced with.
 - 2) Your gal looks like my best friend from middle and high school!
